**NEW** IN 2014

AN UNRIVALLED OPPORTUNITY TO  
 NETWORK, LEARN AND DO BUSINESS

**Interactive Education**

**NEW**

Free-to-attend **Solutions Theatres** for R&D, Digital, Health & Safety and Plastics. Hear from high-calibre speakers, linking industry and visitors with the latest research and best practice. Do not miss the opening keynote address on Day 1 from Chief Scientist of Australia, **Professor Ian Chubb** - 10:30am-11:00am Tuesday 13th May, R&D Hub.

**NEW**

**Product Zones**

6 new Product Zones to complement existing zones. Visitors can expect to see the sectors and technologies that are driving industry growth such as Machine Tools, Additive and Digital Manufacturing, CleanTech and Engineering Services.

**Networking Function**

**NEW**

Join your fellow manufacturing industry professionals from 4pm on Day 1 for an afternoon of drinks and networking. This is a fantastic opportunity to broaden your network, liaise with industry leaders and strengthen existing relationships. Attendance is free for all visitors and exhibitors.

**NEW**

**Plastics Technology**

Returning to Sydney for the first time in 24 years, Ausplas - Australia's premier plastics technology exhibition - will be incorporated into NMW 2014. This event showcases primary and ancillary equipment for plastics processors, converters and material suppliers.

**One-to-One Business Opportunities**

**NEW**

NMW will facilitate pre-scheduled 'One-to-One Meetings' between qualified buyers and vendors. This is a great opportunity to meet and discuss mutually beneficial business outcomes within a private environment.

**WIN A TRIP TO  
 FIJI**
